Third International Conference on New Trends in Sustainable Energy (ICNTSE-2021) online

<https://www.pua.edu.eg/third-international-conference-on-new-trends-in-sustainable-energy-icntse-2021-online/>

PUA's Faculty of Engineering organizes the Third International Conference on New Trends in Sustainable Energy (ICNTSE-2021) on 1-2 March 2022 via online conference. It is also worth mentioning that the Journal of King Saud University – Engineering Sciences (JKSUES) will publish a special edition for a selected group of the conference's researches, which meet the journal's publishing requirements.

Faculty of Languages and Translation held an international conference in collaboration with Trinity College, Dublin University

The Faculty of Languages and Translation held a 2-day international conference in collaboration with Trinity College, Dublin University entitled "Translation and Teaching: Challenges and Perspectives". The conference had great feedback from 140 attendees from all around Egypt as well as attendees from Trinity College virtually. The conference dealt with a variety of topics on invitation methods of teaching and recent research on Translation. All abstracts were published in the conference procedures as well as keynote speakers' abstracts. The conference held parallel sessions to cover a variety of topics. The attendees were thrilled by the organization, topics, and networking vibes. Thank you note to all our sponsors: Capital Professional Development, American Council Egypt, IDP, and ECL Cambridge. The conference help SDG4

Faculty of pharmacy 2nd international conference 11th -12th, March 2020

<http://beta.pua.edu.eg/icmaps/>

The Pharmaceutical sciences are a group of interdisciplinary areas involved with the design, action, delivery, disposition, and use of drugs aiming to uplift the quality of life and public health. Bearing this mission, Faculty of Pharmacy and Drug Manufacturing, Pharos University in Alexandria, Egypt has the pleasure to cordially invite you to join the Second PUA International Conference on Multidisciplinary Approaches in Pharmaceutical Sciences, taking place on March 11-12, 2020 at Pharos University in Alexandria, Egypt.

The goal of the conference is to bring together pharmaceutical groups of national and international academics, researchers, community and industrial pharmacists and clinicians to have an interchangeable break- through ideas related to the most recent advances in pharmaceutical technologies. Challenges and opportunities will be discussed through exchange of ideas and collaboration
